

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today, we learned that although many things have changed throughout the ages, one thing has not changed during all of this time: the Good News that Jesus our Lord and Savior came into this world because God loves us. Through Him we have hope and assurance. (Scripture used: Luke 2:1-20)

Memory Verse:

"Glory to God in the highest heaven, and on earth peace to those on whom his favor rests." Luke 2:14 NIV

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, it will also help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Put together a nativity scene with your child. As you put each figure into position, discuss why that person is there, and what it may have been like for them to witness the birth of Jesus. Discuss how their lives were different from ours. How was it the same? If Jesus was born in our own backyard, who would be there? What kind of animals would be there?

Note: If your child's Sunday school class is going to perform the play "The Birth of Jesus," your child was also given a copy of the skit for review. If possible, spend some time this week reading over the skit with your child. A copy can be obtained from the following URL: www.kidssundayschool.com/Gradeschool/Skits/1skit07a.php

Daily Prayer:

Dear Lord, You are an awesome God. Thank You for sending Your Son to earth, so I can have hope and assurance, and see Your love. Help me remember this time for what it really is, an expression of Your love and the birth of my Lord and Savior. Amen.
