

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

Today, the children learned about the resurrection of Jesus, and how the disciples found hope and joy because He rose from the grave. The resurrection of Jesus is the center of the Easter story. Jesus bore our sins and died on a cross, but He rose from the dead! His resurrection gives us life. We are powerless in our sin, but if we have faith in Jesus, and believe in His resurrection, we become new creations. (Scripture used: Matthew 28:1-10)

## Memory Verse:

**"Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6 KJV**

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

## Suggested Parent/Child Activity:

During this Easter season, do a little resurrecting of old clothes that your child has outgrown or no longer wears. Work together with your child to decide which articles of clothing you can take to a donation center, such as Goodwill or to a local church for distribution. Help your child understand that giving is not only for Christmas time. God gave His son, to die on the cross, which is the greatest gift ever. We can celebrate this gift, by helping others.

## Daily Prayer:

Dear Lord, thank You for Your great mercy, and for giving us new birth through the blood of Jesus. As we celebrate Easter, and Christ's resurrection, help us to become more aware of all the blessings we have because of the loving sacrifice Jesus made for all of us. Amen.
