

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today we learned the purpose of prayer. A neat way to remember the purpose of prayer, is to remember the word ACTS. We can pray for A - Adoration of God, C - Confession, T - Thanksgiving and S - Supplication. We also learned that God wants to be involved in our lives on a daily basis, so we need to pray, read our Bibles and acknowledge that the world we live in was created by God. Look around, see the beauty, and be thankful. (Scripture used: 1 Chronicles 29:11, 1 John 1:9, Ephesians 5:20, Matthew 7:7)

Memory Verse:

"Let my prayer be set forth before thee as incense; and the lifting up of my hands as the evening sacrifice." Psalm 141:2

Throughout the week play a game of "Pop Verse" with your child. Pop Verse is similar to a pop quiz - anytime through out the week any family member can call out "Pop Verse" and the verse reference "Psalm 141:2" - the other family members will then need to recite the verse from memory.

Suggested Parent/Child Activity:

Spend some time practicing prayer together with your child. Assign one of the letters of ACTS to four different days of the week. On the first day give prayers of adoration to God. On the second day pray asking God to forgive you and your family for sins that have been committed. The third day give a prayer of thankfulness for all the blessings God gives. Finally, on the fourth day, pray for someone in the church who needs special comfort, healing, or wisdom.

Daily Prayer:

Almighty God, we thank You that You give our lives purpose and meaning - May our prayers to You have purpose and meaning as well. At all times let us be mindful that You alone are God as we enter into Your presence through prayer. Amen.
