

Puzzled Over Jealousy

Exodus 34:14 tells us that God is a jealous God. God's jealousy is motivated by His love for us. When people are jealous towards others, it is a sin. When God is jealous it is holy and just because we have chosen to make idols (anything that takes the place of our affection for God) more important than he is.

Key words related to jealousy are hidden below. Words can be found in any direction. Can you find them all?

SIN
