

Blinding Light

Saul was a very bad man and on a cruel mission,
Going to Damascus to persecute Christians,
Throw them all in Jail, every single one,
When suddenly he saw a light much brighter than the sun.

Jesus with a mighty voice, asked poor Saul if he knew,
Treating Christians badly, is treating Him bad too,
Suddenly Saul realized, the person he should be,
But when he got up from the ground, o nothing he could see.

Now blind, confused and helpless, Saul waited three whole days,
Finally a man named Ananias came,
Putting hands on Saul his blindness was no more,
Then Saul shared with many people, that Jesus is the Lord.
