

# TEN COMMANDMENTS RAP

Commandment #1 says there's only one God above,  
So give him all the glory,  
So give him all your love.

Commandment #2 tells us that idols are bad,  
because they make God mad,  
The punishment will be so sad.

Commandment #3 says do not misuse his name,  
The Lord God is holy,  
Don't take His name in vain

Commandment #4 says that just one time a week,  
To keep the Sabbath holy,  
His great presence you should seek.

Commandment #5 tells you to honor Mom and Dad,  
If you don't it won't go well for you,  
You'll be wishing that you had.

Commandment #6 says do not ever kill,  
We are all made in God's likeness,  
So spread peace 'cause it's God's will.

Do not commit adultery, is Commandment #7,  
One man, one woman forever,  
until we get to Heaven.

Commandment #8 says, don't take what isn't yours,  
You know if you're caught stealing,  
They'll be slamming steel bar doors.

Commandment #9, about your neighbor do not lie,  
Love your neighbor as yourself,  
Telling a fib, it just won't fly.

Don't covet what your neighbor has, is commandment #10,  
Think you're being perfect in life,  
Then study these words again.

Say Hey, Ho,  
Say Hey, Ho,  
Say Hey, Ho,  
Say Yeah, that's God's commandments.
