

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned today in Sunday School. Included are "Words to Remember" from the Bible, a suggested activity to reinforce the lesson, and a short prayer. Being involved and interacting with your child can be very rewarding for both of you.

What We Learned:

Today, your child learned about a man named Abel and how he made God happy when he did his very best. The children also learned that they can please God by doing their best for Him. This lesson also taught that it is better to give our best to others instead of keeping it for ourselves. In this way, we are not only showing kindness to others but we are making God smile. (Scripture used: Genesis 4:2b-7)

Words to Remember:

(Bible versions used are selected to help young children learn and understand the meaning of scripture.)

"Offer sacrifices in the right spirit, and trust in the LORD." Psalm 4:5 NLT

Practice this verse several times with your child during the week. This will not only help your child remember the verse, but also it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Choose a simple activity to do for someone else. Together you and your child can pick fruit, flowers or maybe just draw a picture for someone who might need a little cheering up. Take the best that you have and bless someone. Remind your child that when we do something with our whole heart, to make someone else feel special, God sees that and is very happy.

Daily Prayer:

Dear Lord, help me remember to do my best for You. Help me think about others before myself. Give me a heart that wants to serve and love and make others smile, especially when it comes to You! Amen.
