

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned today in Sunday School. Included are "Words to Remember" from the Bible, a suggested activity to reinforce the lesson, and a short prayer. Being involved and interacting with your child can be very rewarding for both of you.

What We Learned:

Today, your child learned about how important it is to live his or her life according to God's rules. The children also learned that when they choose to disobey God, things might start falling apart. In the lesson on the Tower of Babel, because the people were trying to be higher and bigger than God, God made sure they could not understand each other by confusing their language. If we choose not to follow God's rules things may go wrong for us as well. (Scripture used: Genesis 11:1-10)

Words to Remember:

(Bible versions used are selected to help young children learn and understand the meaning of scripture.)

"Keep my commands and follow them, I am the LORD." Leviticus 22:31 NIV

Practice this verse several times with your child during the week. This will not only help your child remember the verse, but also it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Play with some blocks for this activity. Ask your child to listen carefully to your instructions on how to build something with the blocks. To make it a little more difficult, say the instructions really fast in hopes that your child will NOT do the right thing. If your child doesn't follow your instructions, although they were fast, remind him or her that in order to follow directions, he or she must pay close attention or it will be hard to do the right thing. Slowly repeat the instructions, making sure that your child has enough time to listen and follow your directions correctly. When we follow the directions, good things will come.

Daily Prayer:

Dear Lord, help me to follow Your instructions and rules. Help me follow my parents' rules as well. I want to make good things in life, God, and I know that if I don't follow the rules, bad things might happen. Help me remember to listen to Your voice and to follow You Lord. Amen.
