

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned today in Sunday School. Included are "Words to Remember" from the Bible, a suggested activity to reinforce the lesson, and a short prayer. Being involved and interacting with your child can be very rewarding for both of you.

What We Learned:

Today, your child learned that he or she should celebrate Thanksgiving every day of the year by thanking God daily for everything that He provides. We discussed how it feels when someone shows that he or she is thankful. (Scripture used: 1 Timothy 4:4-5 and Psalm 136.)

Words to Remember:

(Bible versions used are selected to help young children learn and understand the meaning of scripture.)

"...always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ." Ephesians 5:20 NIV

Practice this verse several times with your child during the week. This will not only help your child to remember the verse, but also it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Read the following scriptures together as a family: Psalm 95:2 & 100:4. Discuss what it means to give praise and to be thankful. Help your child create a list of ways to celebrate God during his or her Thanksgiving holiday. The list should include ways in which he or she can show God that he or she appreciates all that He does and provides for him or her. Once the list is complete, display it in a prominent place.

Daily Prayer:

Dear Lord, thank You for always providing for Your people. Teach me how to remain thankful, to see Your many blessings each day, and to be appreciative for the blessings in my life. Amen.
